Open the DPF App

- Launch the DPF App on your device.
- Ensure you have a stable internet connection.
- Tap **“Sign Up”** to create your account.

The image shows a smartphone screen displaying the DPF HUB app interface. At the top, the status bar shows the time 12:39 and various icons. The app logo, 'DPF HUB', is centered, with 'POWERED BY VTECH' below it. Below the logo, there is a 'Sign In' button. Underneath, a message reads 'Sign in or Create an account to get started with the app'. There are two buttons: 'Sign In' (highlighted in blue) and 'Sign Up' (grey). Below these, there is a form with two fields: 'Email ID *' with the value 'vtechindia3@gmail.com' and 'Password *' with masked characters. Below the password field, there is a checkbox for 'Remember me' and a link for 'Forgot Password?'. At the bottom of the form, there is a large blue 'Sign In' button. Below this button, there is a horizontal line with 'Or' in the center. At the very bottom, there is a link for 'Sign Up' and a message 'Don't have an account yet?'.
