

V-TECH INDIA

AUTOMOTIVE PVT LTD

PREMIUM GARAGE EQUIPMENT

For over 24 years, V-Tech has been a trusted name in DPF cleaning and automotive diagnostics across the UK and Europe - supplying garages, DPF specialists, and fleet workshops with machines that actually deliver.

We supply and install high-quality garage equipment across India, partnered with leading European brands like Ravaglioli, Space, Werther, Top Auto, Tecnolux & Ross-Tech.

Our range includes:

- Vehicle lifts (2-post, 4-post, scissor)
- Tyre changers & wheel balancers
- 3D wheel aligners
- Gas analysers, smoke & brake testers
- Headlamp aligners, jacking beams, pit jacks
- Air compressors, exhaust extraction, automotive AC
- ...and much more

From single-bay garages to full workshop setups, we handle supply, installation, and after-sales support pan-India.

FREQUENTLY ASKED QUESTIONS

Q. Do you deliver and install equipment outside of major cities?

Yes! We handle the complete supply, professional installation, and initial setup for garages and workshops pan-India.

Q. What happens if a machine needs servicing?

We pride ourselves on reliable after-sales support. Our technical team is available to assist with servicing, repairs, and maintenance.

Q. Do you supply spare parts for the machines?

Yes, we maintain a robust inventory of genuine spare parts for all our partnered European brands to minimize your downtime.

Q. Do you provide training for complex diagnostic tools like VCDS or Autocom?

Yes. We don't just drop off the equipment; we ensure your technicians are properly trained to get the most out of your new diagnostic software and hardware.
